Zonal Assignments 2024

*Note on **GBC Areas**: In 2015 the GBC adopted "a view of the deployment of its commissioners, the GBC Zonal Secretaries . . . to optimize coverage of the planet," with the aim of "offering the world the most systematic oversight and guidance."*
This involved moving from a person-centered approach to dividing the world into territories possessing - as much as possible - geographical and cultural consistency, allowing them to be "inheritable" by succeeding GBCs. These are called "GBC Areas" (to distinguish them from the "zones" overseen by Zonal Supervisors).
Starting in 2018, the GBC has been ratifying GBC Areas and appointing "Area GBCs." Since other GBCs might have been operating in that Area, they may continue to do so (as not to disrupt the existing working relations) even without becoming the GBC for the whole Area, but remaining as co-GBCs together with the Area GBC.
*The orientation for the near future is that a GBC accepts a single "GBC Area" as his or her *exclusive* territorial assignment, although the full implementation of this direction may take some time, and Area GBC shall continue for some time to work together with other GBCs, cooperatively defining their degree of involvement in the countries or states of the Area.*
To optimize oversight, a priority for every Area GBC shall be to populate the Area with Zonal Supervisors.
