Section 200: Governing Body Commission

204.03 GBC Meetings: Annual General Meeting

[Title] — Dates for 2025 GBC Annual General Meeting — 2024

[Meeting] — Annual General Meeting
[Category] — Action Order
[Date passed] — March 1, 2024

Resolved that:

The Annual General Meeting of the ISKCON Governing Body Commission Society shall be held from February 14–23, 2025, at ISKCON Mayapur, WB, India

203.04: GBC Members: Assistant and Acting GBCs

[Title] — Reinstating the positions of Assistant GBC and Acting GBC — 2024

[Meeting] — Annual General Meeting
[Category] — Statutory Regulation
[Date passed] — March 8, 2024

Whereas the process to become a Global Duty Officer and Zonal Supervisor prior to entering the GBC Nomination process is effective in training potential nominees for GBC membership.

Whereas there is a provision to circumvent the current Nominations process by a 4/5ths vote of the GBC under emergency or special circumstances;

Whereas some GBC members have asked the Nominations Committee to build in some further flexibility and creativity in the current nomination process during the next 5 years of extreme shift in the GBC membership and the time needed to get quality devotees in the future GBC pipeline.

Whereas the training and engagement of Zonal Supervisors is focused on local and zonal management and that of Global Duty Officers on specific global functions in ISKCON which do not necessary require travelling out of the zone unless specifically outlined in the GDO project.

Whereas the training and evaluation of future GBC nominees will be strengthened by their attending and participating in GBC meetings along with in-service training and supervision.

Whereas the removal of the preliminary intervals of Assistant and Acting GBC deprives the individual and the group of the advantages of nominees attending and participating in GBC meetings and other GBC group engagements, sub-committee participation etc.

Therefore, it is resolved that:

The positions of Assistant GBC and Acting GBC are reinstated.

The GBC Nominations Committee will assess the qualifications of each stage and report and recommend to the GBC.

Before becoming a GBC member with voting rights, one is required to first become an Assistant GBC and later an Acting GBC under the guidance of a GBC member. This assumes a potential nominee has completed the existing nomination process as is currently in effect.

After at least one year, or maximum two, an Assistant GBC can become an Acting GBC by a 2/3rds vote of the GBC Body.

After at least one year, or maximum two, an Acting GBC may become a Full GBC with Voting rights by a 2/3rds vote of the GBC Body.

At either stage of the process, if the candidate is not confirmed to move to the next stage within the two-year period, the candidate will be dropped from the list. During the same period the candidate may decide to opt out as well.

Section 400: ISKCON Ministries, Committees, and Offices

406.02: ISKCON Ministry of Cow Protection and Agriculture: Minimum Cow Protection and Agricultural Standards

[Title] — Leasing of Cows Suspended — 2024

[Meeting] — Annual General Meeting
[Category] — Governing law
[Date passed] — March 9, 2024

Whereas currently according to the current Minimum Cow Protection Standards for ISKCON, section 2.IX.4 “Permitted”:

> *4. Leasing Cows. Arrangements for leasing cows to others is permitted if it can contribute to the overall goal of cow protection, and if the lessee is legally bound to abide by all Cow Protection Standards, ISKCON GBC Law 507 Minimum Cow Protection Standards 14 including, but not limited to, arrangements made for lifetime protection of both cow and calf.*

Whereas the Ministry of Cow Protection and Agriculture believes the above is not currently in the best interests of cow protection.

Therefore, it is resolved that:

The above Cow Protection standard 2.IX.4 “Permitted”, allowing the leasing of cows, is suspended until further notice. Exceptional requests to lease cows, calves, bulls, or oxen must be submitted to the regional representative of the Ministry of Cow Protection and Agriculture for approval.

Section 700: Gurus and disciples

702.02: ISKCON Spiritual masters: Regulations

[Title] — Initiating in the Presence of One's Diksa-guru — 2024

[Meeting] — Annual General Meeting
[Category] – Governing Law
[Date passed] — March 9, 2024

Premise:

> *Although the nomenclature of the proposal is "Initiating in the presence of one's Diksa Guru", the proposers are of the opinion that the essence of it, namely: a) Keeping the centrality of the Founder-Acarya in the lives of the future generations of both gurus and disciples, b) Having gurus with an appropriate level of training, advancement, maturity and being of high character, and c) Maintaining the unity of the movement by having gurus and disciples remaining loyal and obedient to ISKCON and the GBC Body, will be fundamental in any resolution dealing with the guru-disciple relationship.*
>
> *The present proposal is a revisitation of the 2019 Resolution that took a lot of time and energy and was passed near-unanimously by the GBC Body; (this Resolution was then abruptly replaced during COVID through GEM without much discussion by an earlier one that is now current). This revised edition of the 2019 Resolution we are now proposing is more focused on training, less restrictive, and actually consistent with Srila Prabhupada's instructions and exemplary actions.*

Whereas the replacement of the 2019 Resolution with an earlier one had taken place through an insufficient GEM discussion, so much so that many GBC Members hadn't realized that a change had taken place,

Whereas ISKCON Law 7.3.2 now reads:

> *"As taught by Srila Prabhupada, the etiquette of not initiating in the presence of one's diksa-guru will be upheld in ISKCON. However, Srila Prabhupada and historical precedents also teach us that disciples may sometimes initiate in the physical presence of their diksa-gurus, if so directed by them. In such a case, the disciple should go through the normal procedure for commencing the service of diksa-guru."*

Therefore, it is resolved that:

The 2019 Governing Law "Conditions for second-generation Diksa-gurus" be reintroduced in a modified form as follows:

ISKCON Law 7.3.2 is amended to read as follows:

> As taught by Srila Prabhupada, the etiquette of not initiating in the presence of one's diksa-guru will be upheld in ISKCON. However historical precedents also teach us that disciples may sometimes, in exceptional cases, initiate in the physical presence of their diksa-gurus.

The GBC clarifies that an individual devotee taking up the service of diksa-guru in the physical presence of their guru may be allowed as an exception when the following conditions are met. The Guru Services Committee will confirm that the candidate for becoming a next generation guru has met all these conditions:

Mandatory Conditions:

1. The candidate must have been initiated for at least 25 years.

2. The candidate's *diksa-guru* has affirmed in writing to the GBC Body that he agrees the candidate is suitable for this service and that he gives his blessings.

3. A letter of approval for the candidate to take up the role of *diksa-guru* has been received from the Regional Council, or if none exists, the National Council, Area Council or, if none of the above exists, the GBC member of that area where the candidate primarily serves or resides.

4. All standard procedures for commencing the service of *diksa-guru* according to ISKCON law, including required training and other conditions as outlined and codified by the Guru Service Committee, as well as additional appropriate training from *diksa-* and/or *siksa- gurus*, have been met.

5. Final acceptance of the candidate to begin initiating is affirmed by a 2/3 vote of the GBC Body.

Additional Mandatory Condition
(may be waived by a 2/3 vote of the GBC Body):

- The candidate's own *diksa-guru* should retire completely from accepting disciples or agrees to immediately retire upon the guru's disciple accepting his own disciples. This is true especially if the currently initiating guru is overburdened with responsibilities and/or is experiencing serious health problems.

Factors to be considered by the GBC in determining if a waiver may be approved:

- The area in which the candidate will initiate has a substantial number of devotees wanting initiation, and a shortage of gurus to do this service.

- Language barriers necessitate gurus who speak the local language in specified areas.

Optional conditions that may be applied in an individual case, per a 2/3 vote of the GBC:

- When the candidate takes up the service of *diksa-guru* he will only be able initiate in a specific area(s).

- The number of disciples the new *diksa-guru* may initiate can be limited by the GBC.

The responsibility of ensuring that all conditions for next generation *diksa-gurus* as listed above rests with the respective Local Area Councils nominating such candidates and confirmed by the Guru Services Committee.
